

SUPPORT YOUR TEAM

Hello Neighbor is an initiative that helps residents working or attending college in the Alexandria Area integrate into our community.

Local professionals, who genuinely care about their employees (people like you!), initiated us starting this program. Their goal? To enhance employee retention by fostering meaningful connections within our community.

Throughout the year, our program co-hosts *free* engaging events where residents can meet and greet. We're here to support those on the quest to find "their people" and facilitate connections that last a lifetime.

*Take action.
